Notification of statements being used on dietary supplement Indium-APW™

1. The company

Indium For Life, Inc.
357 Wedgewood Road
Morganville, NJ 07751-4234

2. Statements we plan to use on dietary supplement Indium-APW™

- Indium seems to enhance the absorption of the minerals and improve their utilization by the body
- It also seems to have a positive effect on hormonal balance
- It increases levels of energy, speeds up metabolism, reduces visible signs of aging, and enhances sense of well being.

3. Ingredients

The active ingredient responsible for the described benefits is the mineral indium in the form of water solution of indium sulfate.

4. Product brand name

The dietary supplement containing indium sulfate is marketed by Indium For Life, Inc. and sold under the brand name of Indium-APW.

I, Przemek Nowicki certify that the information contained in this notice is complete and accurate and swear that Indium For Life, Inc. has substantiated evidence for the above statements made.

Przemek Nowicki
President
Indium For Life, Inc.
