Such partial amendment shall be clearly identified and marked to show deletions and additions.

## **GENERAL INSTRUCTIONS FOR FORM 19b-4**

### **A. Use of the Form**

All self-regulatory organization proposed rule changes, except filings with respect to proposed rule changes by self-regulatory organizations submitted pursuant to Section 19(b)(7)<sup>1</sup> of the Securities Exchange Act of 1934 (“Act”), shall be filed in an electronic format through the Electronic Form 19b-4 Filing System (“EFFS”), a secure Web site operated by the Commission. This form shall be used for filings of proposed rule changes by all self-regulatory organizations pursuant to Section 19(b) of the Act, except filings with respect to proposed rule changes by self-regulatory organizations submitted pursuant to Section 19(b)(7) of the Act. National securities exchanges, registered securities associations, registered clearing agencies, and the Municipal Securities Rulemaking Board are self-regulatory organizations for purposes of this form.

### **B. Need for Careful Preparation of the Completed Form, Including Exhibits**

This form, including the exhibits, is intended to elicit information necessary for the public to provide meaningful comment on the proposed rule change and for the Commission to determine whether the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to the self-regulatory organization. The self-regulatory organization must provide all the information called for by the form, including the exhibits, and must present the information in a clear and comprehensible manner.

The proposed rule change shall be considered filed on the date on which the Commission receives the proposed rule change if the filing complies with all

---

<sup>1</sup> Because Section 19(b)(7)(C) of the Act states that filings abrogated pursuant to this Section should be re-filed pursuant to paragraph (b)(1) of Section 19 of the Act, SROs are required to file electronically such proposed rule changes in accordance with this form.

requirements of this form. Any filing that does not comply with the requirements of this form may be returned to the self-regulatory organization at any time before the issuance of the notice of filing. Any filing so returned shall for all purposes be deemed not to have been filed with the Commission. See also Rule 0-3 under the Act (17 CFR 240.0-3).

**C. Documents Comprising the Completed Form**

The completed form filed with the Commission shall consist of the Form 19b-4 Page 1, numbers and captions for all items, responses to all items, and exhibits required in Item 9. In responding to an item, the completed form may omit the text of the item as contained herein if the response is prepared to indicate to the reader the coverage of the item without the reader having to refer to the text of the item or its instructions. Each filing shall be marked on the Form 19b-4 with the initials of the self-regulatory organization, the four-digit year, and the number of the filing for the year (i.e., SRO-YYYY-XX). If the SRO is filing Exhibit 2 and 3 via paper, the exhibits must be filed within 5 business days of the electronic submission of all other required documents.

**D. Amendments**

If information on this form is or becomes inaccurate before the Commission takes action on the proposed rule change, the self-regulatory organization shall file amendments correcting any such inaccuracy. Amendments shall be filed as specified in Instruction F.

Amendments to a filing shall include the Form 19b-4 Page 1 marked to number consecutively the amendments, numbers and captions for each amended item, amended response to the item, and required exhibits. The amended response to Item 3 shall explain the purpose of the amendment and, if the amendment changes the purpose of or

basis for the proposed rule change, the amended response shall also provide a revised purpose and basis statement for the proposed rule change. Exhibit 1 shall be re-filed if there is a material change from the immediately preceding filing in the language of the proposed rule change or in the information provided.

If the amendment alters the text of an existing rule, the amendment shall include the text of the existing rule, marked in the manner described in Item 1(a) using brackets to indicate words to be deleted from the existing rule and underscoring to indicate words to be added. The purpose of this marking requirement is to maintain a current copy of how the text of the existing rule is being changed.

If the amendment alters the text of the proposed rule change as it appeared in the immediately preceding filing (even if the proposed rule change does not alter the text of an existing rule), the amendment shall include, as Exhibit 4, the entire text of the rule as altered. This full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e., partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

If, after the rule change is filed but before the Commission takes final action on it, the self-regulatory organization receives or prepares any correspondence or other

communications reduced to writing (including comment letters) to and from such self-regulatory organization concerning the proposed rule change, the communications shall be filed as Exhibit 2. If information in the communication makes the rule change filing inaccurate, the filing shall be amended to correct the inaccuracy. If such communications cannot be filed electronically in accordance with Instruction F, the communications shall be filed in accordance with Instruction G.

**E. Completion of Action by the Self-Regulatory Organization on the Proposed Rule Change**

The Commission will not approve a proposed rule change before the self-regulatory organization has completed all action required to be taken under its constitution, articles of incorporation, bylaws, rules, or instruments corresponding thereto (excluding action specified in any such instrument with respect to (i) compliance with the procedures of the Act or (ii) the formal filing of amendments pursuant to state law). Nevertheless, proposed rule changes (other than proposed rule changes that are to take, or to be put into, effect pursuant to Section 19(b)(3) of the Act) may be initially filed before the completion of all such action if the self-regulatory organization consents, under Item 6 of this form, to an extension of the period of time specified in Section 19(b)(2) or Section 19(b)(7)(D) of the Act until at least thirty-five days after the self-regulatory organization has filed an appropriate amendment setting forth the taking of all such action. If a proposed rule change to be filed for review under Section 19(b)(2) or Section 19(b)(7)(D) of the Act is in preliminary form, the self-regulatory organization may elect to file initially Exhibit 1 setting forth a description of the subjects and issues expected to be involved.

**F. Signature and Filing of the Completed Form**

All proposed rule changes, amendments, extensions, and withdrawals of proposed rule changes shall be filed through the EFFF. In order to file Form 19b-4 through EFFF, self-regulatory organizations must request access to the SEC's External Application Server by completing a request for an external account user ID and password. Initial requests will be received by contacting the Market Regulation Administrator located on our Web site (<http://www.sec.gov>). An e-mail will be sent to the requestor that will provide a link to a secure Web site where basic profile information will be requested.

A duly authorized officer of the self-regulatory organization shall electronically sign the completed Form 19b-4 as indicated on Page 1 of the Form. In addition, a duly authorized officer of the self-regulatory organization shall manually sign one copy of the completed Form 19b-4, and the manually signed signature page shall be maintained pursuant to Section 17 of the Act. A registered clearing agency for which the Commission is not the appropriate regulatory agency also shall file with its appropriate regulatory agency three copies of the form, one of which shall be manually signed, including exhibits. The Municipal Securities Rulemaking Board also shall file copies of the form, including exhibits, with the Board of Governors of the Federal Reserve System, the Comptroller of the Currency, and the Federal Deposit Insurance Corporation.

**G. Procedures for Submission of Paper Documents for Exhibits 2 and 3**

To the extent that Exhibits 2 and 3 cannot be filed electronically in accordance with Instruction F, four copies of Exhibits 2 and 3 shall be filed with the Division of Market Regulation, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-1001. Page 1 of the electronic Form 19b-4 shall accompany

paper submissions of Exhibits 2 and 3. If the SRO is filing Exhibit 2 and 3 via paper, they must be filed within five days of the electronic filing of all other required documents.

#### **H. Withdrawals of Proposed Rule Changes**

If a self-regulatory organization determines to withdraw a proposed rule change, it must complete Page 1 of the Form 19b-4 and indicate by selecting the appropriate check box to withdraw the filing.

#### **I. Procedures for Granting an Extension of Time for Commission Final Action**

After the Commission publishes notice of a proposed rule change, if a self-regulatory organization wishes to grant the Commission an extension of the time to take final action as specified in Section 19(b)(2), the self-regulatory organization shall indicate on the Form 19b-4 Page 1 the granting of said extension as well as the date the extension expires.

#### **Information to Be Included in the Completed Form (“Form 19b-4 Information”)**

##### **1. Text of the Proposed Rule Change**

(a) Include the text of the proposed rule change. Changes in, additions to, or deletions from, any existing rule shall be set forth with brackets used to indicate words to be deleted and underscoring used to indicate words to be added.

If any form, report, or questionnaire is

(i) proposed to be used in connection with the implementation or operation of the proposed rule change, or

(ii) prescribed or referred to in the proposed rule change,

then the form, report, or questionnaire must be attached to and shall be considered as part of the proposed rule change. If completion of the form, report, or questionnaire is voluntary or is required pursuant to an existing rule of the self-regulatory organization, then the form, report, or questionnaire, together with a statement identifying any existing rule that requires completion of the form, report, or questionnaire, shall be attached as Exhibit 3. If the form, report, or questionnaire cannot be filed electronically in accordance with Instruction F, the documents shall be filed in accordance with Instruction G.

(b) If the self-regulatory organization reasonably expects that the proposed rule change will have any direct effect, or significant indirect effect, on the application of any other rule of the self-regulatory organization, set forth the designation or title of any such rule and describe the anticipated effect of the proposed rule change on the application of such other rule.

(c) Include the file numbers for prior filings with respect to any existing rule specified in response to Item 1(b).

## **2. Procedures of the Self-Regulatory Organization**

Describe action on the proposed rule change taken by the members or board of directors or other governing body of the self-regulatory organization (by amendment if initial filing is prior to completion of final action). See Instruction E.

## **3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

Provide a statement of the purpose of the proposed rule change and its basis under the Act and the rules and regulations thereunder applicable to the self-regulatory organization. With respect to proposed rule changes filed pursuant to Section 19(b)(1) of

the Act, except for proposed rule changes that have been abrogated pursuant to Section 19(b)(7)(C) of the Act, the statement should be sufficiently detailed and specific to support a finding under Section 19(b)(2) of the Act that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to the self-regulatory organization. With respect to proposed rule changes filed pursuant to Section 19(b)(1) of the Act that have been abrogated pursuant to Section 19(b)(7)(C) of the Act, the statement should be sufficiently detailed and specific to support a finding under Section 19(b)(7)(D) of the Act that the proposed rule change does not unduly burden competition or efficiency, does not conflict with the securities laws, and is not inconsistent with the public interest or the protection of investors. At a minimum, the statement should:

(a) Describe the reasons for adopting the proposed rule change, any problems the proposed rule change is intended to address, the manner in which the proposed rule change will resolve those problems, the manner in which the proposed rule change will affect various persons (e.g., brokers, dealers, issuers, and investors), and any significant problems known to the self-regulatory organization that persons affected are likely to have in complying with the proposed rule change; and

(b) With respect to the proposed rule changes filed pursuant to both Sections 19(b)(1) and 19(b)(2) of the Act, explain why the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to the self-regulatory organization. A mere assertion that the proposed rule change is consistent with those requirements is not sufficient. With respect to a proposed rule change filed pursuant to Section 19(b)(1) of the Act that has been abrogated pursuant to Section

19(b)(7)(C) of the Act, explain why the proposed rule change does not unduly burden competition or efficiency, does not conflict with the securities laws, and is not inconsistent with the public interest and the protection of investors, in accordance with Section 19(b)(7)(D) of the Act. A mere assertion that the proposed rule change satisfies these requirements is not sufficient. In the case of a registered clearing agency, also explain how the proposed rule change will be implemented consistently with the safeguarding of securities and funds in its custody or control or for which it is responsible. Certain limitations that the Act imposes on self-regulatory organizations are summarized in the notes that follow.

NOTE 1. National Securities Exchanges and Registered Securities Associations. Under Sections 6 and 15A of the Act, rules of a national securities exchange or registered securities association may not permit unfair discrimination between customers, issuers, brokers, or dealers, and may not regulate, by virtue of any authority conferred by the Act, matters not related to the purposes of the Act or the administration of the self-regulatory organization. Rules of a registered securities association may not fix minimum profits or impose any schedule of or fix rates of commissions, allowances, discounts, or other fees to be charged by its members.

Under Section 11A(c)(5) of the Act, a national securities exchange or registered securities association may not limit or condition the participation of any member in any registered clearing agency.

NOTE 2. Registered Clearing Agencies. Under Section 17A of the Act, rules of a registered clearing agency may not permit unfair discrimination in the admission of participants or among participants in the use of the clearing agency, may not regulate, by

virtue of any authority conferred by the Act, matters not related to the purposes of Section 17A of the Act or the administration of the clearing agency, and may not impose any schedule of prices, or fix rates or other fees, for services rendered by its participants.

NOTE 3. Municipal Securities Rulemaking Board. Under Section 15B of the Act, rules of the Municipal Securities Rulemaking Board may not permit unfair discrimination between customers, issuers, municipal securities brokers, or municipal securities dealers, may not fix minimum profits, or impose any schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by municipal securities brokers or municipal securities dealers, and may not regulate, by virtue of any authority conferred by the Act, matters not related to the purposes of the Act with respect to municipal securities or the administration of the Board.

#### **4. Self-Regulatory Organization's Statement on Burden on Competition**

State whether the proposed rule change will have an impact on competition and, if so, (i) state whether the proposed rule change will impose any burden on competition or whether it will relieve any burden on, or otherwise promote, competition and (ii) specify the particular categories of persons and kinds of businesses on which any burden will be imposed and the ways in which the proposed rule change will affect them. If the proposed rule change amends an existing rule, state whether that existing rule, as amended by the proposed rule change, will impose any burden on competition. If any impact on competition is not believed to be a significant burden on competition, explain why. Explain why any burden on competition is necessary or appropriate in furtherance of the purposes of the Act. In providing those explanations, set forth and respond in detail to written comments as to any significant impact or burden on competition

perceived by any person who has made comments on the proposed rule change to the self-regulatory organization. The statement concerning burdens on competition should be sufficiently detailed and specific to support a Commission finding that the proposed rule change does not impose any unnecessary or inappropriate burden on competition.

**5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

If written comments were received (whether or not comments were solicited) from members of or participants in the self-regulatory organization or others, summarize the substance of all such comments received and respond in detail to any significant issues that those comments raised about the proposed rule change. If an issue is summarized and responded to in detail under Item 3 or Item 4, that response need not be duplicated if appropriate cross-reference is made to the place where the response can be found. If comments were not or are not to be solicited, so state.

**6. Extension of Time Period for Commission Action**

State whether the self-regulatory organization consents to an extension of the time period specified in Section 19(b)(2) or Section 19(b)(7)(D) of the Act and the duration of the extension, if any, to which the self-regulatory organization consents.

NOTE. The self-regulatory organization may elect to consent to an extension of the time period specified in Section 19(b)(2) or Section 19(b)(7)(D) of the Act until it shall file an amendment which specifically states that the time period specified in Section 19(b)(2) or Section 19(b)(7)(D) of the Act shall begin to run on the date of filing such amendment.

**7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2) or Section 19(b)(7)(D)**

(a) If the proposed rule change is to take, or to be put into, effect, pursuant to Section 19(b)(3), state whether the filing is made pursuant to paragraph (A) or (B) thereof.

(b) In the case of paragraph (A) of Section 19(b)(3), designate that the proposed rule change:

(i) is a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule,

(ii) establishes or changes a due, fee, or other charge applicable only to a member,

(iii) is concerned solely with the administration of the self-regulatory organization,

(iv) effects a change in an existing service of a registered clearing agency that (A) does not adversely affect the safeguarding of securities or funds in the custody or control of the clearing agency or for which it is responsible and (B) does not significantly affect the respective rights or obligations of the clearing agency or persons using the service, and set forth the basis on which such designation is made,

(v) effects a change in an existing order-entry or trading system of a self-regulatory organization that (A) does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) does not have the effect of limiting the access to or availability of the system, or

(vi) effects a change that (A) does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) by its terms, does not become operative for 30 days after the date of

the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. If it is requested that the proposed rule change become operative in less than 30 days, provide a statement explaining why the Commission should shorten this time period.

(c) In the case of paragraph (B) of Section 19(b)(3), set forth the basis upon which the Commission should, in the view of the self-regulatory organization, determine that the protection of investors, the maintenance of fair and orderly markets, or the safeguarding of securities and funds requires that the proposed rule change should be put into effect summarily by the Commission.

NOTE. The Commission has the power under Section 19(b)(3)(C) of the Act to abrogate summarily within sixty days of its filing any proposed rule change which has taken effect upon filing pursuant to Section 19(b)(3)(A) of the Act or was put into effect summarily by the Commission pursuant to Section 19(b)(3)(B) of the Act. In exercising its summary power under Section 19(b)(3)(B), the Commission is required to make one of the findings described above but may not have a full opportunity to make a determination that the proposed rule change otherwise is consistent with the requirements of the Act and the rules and regulations thereunder. The Commission will generally exercise its summary power under Section 19(b)(3)(B) on condition that the proposed rule change to be declared effective summarily shall also be subject to the procedures of

Section 19(b)(2) of the Act. Accordingly, in most cases, a summary order under Section 19(b)(3)(B) shall be effective only until such time as the Commission shall enter an order, pursuant to Section 19(b)(2)(A) of the Act, to approve such proposed rule change or, depending on the circumstances, until such time as the Commission shall institute proceedings to determine whether to disapprove such proposed rule change or, alternatively, such time as the Commission shall, at the conclusion of such proceedings, enter an order, pursuant to Section 19(b)(2)(B), approving or disapproving such proposed rule change.

(d) If accelerated effectiveness pursuant to Section 19(b)(2) or Section 19(b)(7)(D) of the Act is requested, provide a statement explaining why there is good cause for the Commission to accelerate effectiveness.

**8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission**

State whether the proposed rule change is based on a rule either of another self-regulatory organization or of the Commission, and, if so, identify the rule and explain any differences between the proposed rule change and that rule, as the filing self-regulatory organization understands it. In explaining any such differences, give particular attention to differences between the conduct required to comply with the proposed rule change and that required to comply with the other rule.

**9. Exhibits**

List of exhibits to be filed, as specified in Instructions C and D:

Exhibit 1. Completed Notice of Proposed Rule Change for publication in the Federal Register. Amendments to Exhibit 1 should be filed in accordance with Instructions D and F.

Exhibit 2. (a) Copies of notices issued by the self-regulatory organization soliciting comment on the proposed rule change and copies of all written comments on the proposed rule change received by the self-regulatory organization (whether or not comments were solicited), presented in alphabetical order, together with an alphabetical listing of such comments. If such notices and comments cannot be filed electronically in accordance with Instruction F, the notices and comments shall be filed in accordance with Instruction G.

(b) Copies of any transcript of comments on the proposed rule change made at any public meeting or, if a transcript is not available, a copy of the summary of comments on the proposed rule change made at such meeting. If such transcript of comments or summary of comments cannot be filed electronically in accordance with Instruction F, the transcript of comments or summary of comments shall be filed in accordance with Instruction G.

(c) If after the proposed rule change is filed but before the Commission takes final action on it, the self-regulatory organization prepares or receives any correspondence or other communications reduced to writing (including comment letters) to and from such self-regulatory organization concerning the proposed rule change, the communications shall be filed in accordance with Instruction F. If such communications cannot be filed electronically in accordance with Instruction F, the communications shall be filed in accordance with Instruction G.

Exhibit 3. Copies of any form, report, or questionnaire covered by Item 1(a). If such form, report, or questionnaire cannot be filed electronically in accordance with

Instruction F, the form, report, or questionnaire shall be filed in accordance with Instruction G.

Exhibit 4. For amendments to a filing, marked copies, if required by Instruction D, of the text of the proposed rule change as amended.

Exhibit 5. The SRO may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.
