RE: Docket No. 2004Q-0083: Qualified Health Claim Petition for Green Tea and  
Reduced Risk of Cancer

Dear Dr. Lee:

This letter responds to your October 26, 2004, letter to Kathleen Ellwood, Ph.D. Your letter was written in response to our telephone request on October 25, 2004, for a three month extension of the decision regarding the green tea and cancer qualified health claim petition referenced above. You agreed to the extension of the decision. The request for the extension is to allow more time for review of the petition and does not suggest any particular outcome of our decision on the petition.

You will be notified of the decision by January 28, 2005, when the decision will be made publicly available. The decision letter will be placed in the docket for the petition.

Thank you for your cooperation. If you have any questions, please contact me at 301-436-1450.

Sincerely,

Vincent de Jesus, M.S., R.D.
