The Commission having thereafter considered the matter and having determined that it had reason to believe that Respondents have violated the said Acts, and that a Complaint should issue stating its charges in that respect, and having determined to accept the executed Agreement Containing Consent Orders and to place such Consent Agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, now in further conformity with the procedure described in Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission hereby issues its Complaint, makes the following jurisdictional findings and issues this Order to Hold Separate and Maintain Assets ("Hold Separate"):

Linde AG, hereinafter referred to as “Linde,” has entered into an Agreement Containing Consent Orders (“Consent Agreement”) with the Federal Trade Commission relating to the divestiture of certain assets and other relief in connection with Linde’s acquisition of The BOC Group plc.

As used herein, the term “Held Separate Business” means the Atmospheric Gases Assets To Be Divested and personnel as defined in Paragraphs I.L. and I.O. of the Order to Hold Separate and Maintain Assets (the “Hold Separate”) contained in the Consent Agreement. Under the terms of the Decision and Order (the “Order”) contained in the Consent Agreement, Linde must divest certain assets, which are included within the Held Separate Business, within six (6) months from the date the Order becomes final.

During the Hold Separate Period (which begins after the Hold Separate becomes final and ends after Linde has completed the required divestiture), the Held Separate Business shall be held separate, apart, and independent of Linde’s businesses. The Held Separate Business must be managed and maintained as a separate, ongoing business, independent of all other businesses of Linde, until Linde has completed the required divestiture. All competitive information relating to the Held Separate Business must be retained and maintained by the persons involved in the operation of the Held Separate Business on a confidential basis, and such persons shall be prohibited from providing, discussing, exchanging, circulating, or otherwise furnishing any such information to or with any other person whose employment involves any other of Linde’s businesses, except as otherwise provided in the Hold Separate. These persons involved in the operation of the Held Separate Business shall not be involved in any way in the management, production, distribution, sales, marketing, or financial operations of Linde relating to competing products. Similarly, persons involved in similar activities in Linde’s businesses shall be prohibited from providing, discussing, exchanging, circulating, or otherwise furnishing any similar information to or with any other person whose employment involves the Held Separate Business, except as otherwise provided in the Hold Separate.

Until the Held Separate Business is divested, Linde must take such actions as are necessary to maintain the viability, marketability, and competitiveness of the Held Separate Business, and to prevent the destruction, removal, wasting, deterioration, or impairment of any of the assets, except for ordinary wear and tear.

Any violation of the Consent Agreement may subject Linde to civil penalties and other relief as provided by law.
