## **SERIES COVERAGE**

This series covers positions which either (1) direct or assist in directing a military personnel management program, or (2) advise on, supervise, perform or provide staff leadership and technical guidance for specialized military personnel management or military personnel research work. This work requires a thorough knowledge of the basic concepts, principles and theories of personnel management and the ability to adapt these to meet the unique organizational, staffing, management and mission requirements of military departments or organizations.

This fly sheet supersedes the fly sheet for this series issued June 1967.

A discussion of distinctions between positions classified in this series and those classified in the Military Personnel Clerical and Technician Series is contained in the position classification standard for the [Military Personnel Clerical and Technician Series, GS-0204](#).
