

PLEASE
BAN THE USE OF
HUMAN ANTIBIOTICS
TO MAKE LIVESTOCK
GROW FASTER!

7329 '01 JAN 25 110:09

I think it's
time you came home!

Get Well Soon

To the FDA

Nobody is going to get
well soon if you don't soon
terminate antimicrobials used
for animal fattening. Quit
allowing animals to be pumped
with antibiotics that humans
need. Listen to the World Health
Organization and the European
Union and the U.S. *Camunda Juri*
