

National Audubon Society

I am appalled that you, as a Dr., have not stopped the use of human antibiotics to make livestock grow faster. Do we all have to die first? Please, please, please!

Green tree frogs

Louisiana's Atchafalaya Swamp, home to these two Green tree frogs, is also a nesting and feeding habitat for more than 170 bird species.

To find out how you can help save America's wildlife by becoming a member, call the **National Audubon Society** at 1-800-274-4201.
