

Re: Docket #

27 Jan 01

98P-0151/CP1

I urge you to grant the
petition to prohibit the
slaughter of downed
animals.

There are numerous
health and humanitarian
reasons for ^{the} Downed Animal
Protection Act (HR 443 §
515) to be enacted into
law. It is only common
sense that animals too
sick to stand be euthanized
humanely.

Thank you
Cordially, Malgosia Cegielski PhD
