Dear Sir or Madame,

I urge you to grant petition 98P-0151/CP1 to prohibit the slaughter of downed animals. With better care and more humane handling downed animals can be prevented. It's impossible to move a downed animal humanely. They should be properly euthanized immediately.

Sincerely,

A handwritten signature in cursive script that reads "Barb, Joe McCarthy". The signature is written in black ink and is positioned above the printed name.
