Gentlemen:

It has been brought to my attention that you are considering a petition to prohibit slaughter of downed animals. I would like to add my voice to the others urging you to grant petition # 98P-0151/CP1.

From both the side of humane treatment of the animals involved, as well as the safety of the consumer, this is an issue whose time has come.

Please grant petition #98P-0151/CP1.

Thank you for your consideration.

Sincerely,

**Jacqueline Smith Wagoner
