To Whom it may concern,

I am writing to urge the FDA to grant petition 98P-0151 ~~to PFEA~~ - prohibit the slaughter of downed animals.

As a member of Farm Sanctuary, I, like many other Americans, feel very strongly about the humane treatment of animals.

It is impossible to move a downed animal humanely and removing the market for downed animals would provide an incentive for the industry to prevent downed animals in the first place. Many of us are looking to the FDA to put a halt to the downed animal trade.

Sincerely,
Fiorone Piccone
