WEST INDIAN MANATEE

Manatees - large, peaceful, slowly moving aquatic mammals that graze on plants. Columbus thought they might be mermaids. Today, Save the Manatee Club is working to protect these gentle, endangered mammals and their habitat. You can help. Please call 1-800-432-JOIN or visit us at: www.savethemanateeclub.org

Slaughter-
ing downed animals
is horrible. Please
grant petition 98P-0151
CPI prohibiting this.
The idea of these
animals being pushed
with tractors or dragged
with chains is inhu-
mane. Sincerely, Leslie
