RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Bone Balance, a dietary supplement. Source Naturals® is the manufacturer of Bone Balance.

Statements being made in the labeling of Bone Balance:

(1) Bone Balance is a highly bioactive and scientifically advanced calcium formula, providing optimal forms of calcium and key co-nutrients to help support women in their menopausal years. Regular weight-bearing exercise, a balanced diet and calcium supplementation with Bone Balance contains a 1:1 ratio of calcium and magnesium, along with other bone minerals such as copper, manganese and zinc, and soy isoflavones to provide support to the bones.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
