RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of **DLPA**, a dietary supplement. Horizon[®] is the manufacturer of **DLPA**.

Statements being made in the labeling of DLPA:

(1) DLPA (DL-Phenylalanine) may have the ability to block certain enzymes that are normally responsible for breaking down endorphins and enkephalins.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Horizon possesses substantiation that the statements are truthful and not misleading.
