

RE PETITION

DOCKET ODP-1602/CX1
11/6/00

PLEASE ADD MY
NAME TO THOSE
WHO ARE PETITIONING
FOR THE REMOVAL
OF FLUORIDE SUPPLE-
MENTS FROM THE MARKET.
IT IS NOW RECOGNIZED
THAT INGESTING FLUOR-
IDES IS NOT THE BEST
WAY TO RECEIVE DENTAL
BENEFITS. MANY PEOPLE
IN THE U.S. ARE TAKING
IN MUCH MORE FLUORIDE
(THROUGH FOOD & BEVER-
AGES) THAN EARLIER
GENERATIONS.
