Rockville, MD 20852

Gentlemen:

Recently we learned that a petition has been filed with your organization to permit morning after pills be made available over the counter. These pills do not prevent abortion but rather are abortion. We believe that all human life should be respected and that these pills violate basic human rights through the termination of a human life which has been created by God.

Accordingly, we urge you to reject this petition and withdraw the pills.

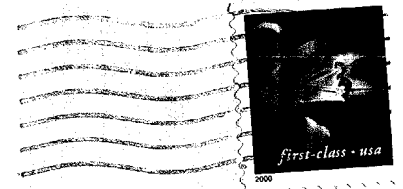

Sincerely,

John Erwin
