

Docket # ~~FD~~-1598 or ~~ON~~-1396

Dear Commissioner,
The FDA s/ be a regulator, not promoter of the food industry. I am ~~growing increasingly~~ ^{increasingly} concerned about the role of the government in industry and the subsequent decline in my food choice. I urge you to require both labeling & pre-market safety testing of these novel foods that present unique & unforeseen hazards. I wish to avoid these foods for myself, family & friends. Please Allow me my freedom of choice Sincerely Cindy M Scott
