Docket 37207 002 FEB 18 98 45

February 12, 2001

FDA Commissioner
Dockets Management Branch (HFA-305)
Food and Drug Administration
5630 Fishers Lane, Room 1061
Rockville, MD 20852

Martha G. Taylor
439 Valley Dr. NW
Floyd, VA 24091

To whom it may concern:

In regard to the manufacture of genetically altered foods made for my family's consumption, I submit my name in opposition to the proposed new rules that require no assurances regarding the safety of these foods for our consumption, completely unsatisfactory labeling requirements, which give me limited choice about what I buy. You offer me no alternative but to choose to buy only organic corn, soy products, potatoes, etc.

Please re-consider these rules and require appropriate testing and mandatory labeling of all genetically modified foods.

Thank you for your attention, and I pray
your consideration

Sincerely,

Martha G. Taylor
