

Docket # OOD-1598, OON-1396

FEB 2001

Dear FDA Commissioner,

AS A CONSUMER, I am concerned about the quality of the food I eat and therefore urge you to require both labeling and pre-market safety testing for genetically engineered foods, so that I may feel confident about using my freedom of choice in which foods I eat. HAXA!

Susan Bohannon, ABCQ

OOD-1598
