

2/21/01

To whom it may concern: FEB 27 12:29

In reference to the petition docket number 98P-0151/CPI I demand that the FDA prohibit the slaughter of "downed" animals.

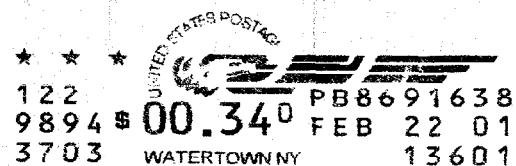

The USDA has already created a policy to stop purchasing meat from downed cows. Please follow ~~this~~ example to end the marketing of sick and injured animals. I am one of many concerned citizens. Thank you for your time.
