

A note from...
Ms. Ruth Hunt

U.S. Food + Drug Admin.

Dear Sirs:

I hope you will
8063 OF FEB 27 P12:28
grant petition 98P-0151/cpl
to prohibit the slaughter
of downed animals.

It is almost impossible
to move downed animals
in a humane way.

If it is too hard for
animals to stand, they
shouldn't enter the
human food chain
as they pose a health
threat.

C 4114

I hate to see anything
suffer - people or animals.
I try to follow the
teachings of the late and
great Albert Schweitzer
who had a reverence
for all living creatures.

Thanking you for your
help in the above matter

Very truly yours,
(Mrs.) Ruth Hunt
