200 Independence Ave S.W.
Washington, D.C. 20201

Dear Secretary Thompson,
I am writing to urge your
department to place a
moratorium on the FDA's
approval of irradiated foods.

I am also requesting
that the Dept. appoint an
independent panel of experts,
who have no relationship with
the FDA's food irradiation
approval process or the food
irradiation industry to re-
examine the full body of
research into the safety of
eating irradiated food. Please
protect our health. Please
support a moratorium on
irradiated foods. Marcia Hoodwin
