RE: Notification of Nutritional Support Statements

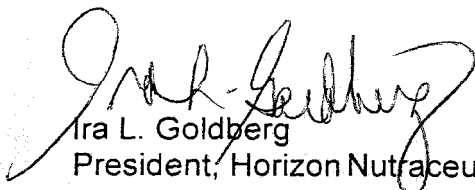

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of **Flex-Ease**, a dietary supplement. Horizon' Nutraceuticals is the manufacturer of **Flex-Ease**.

Statements being made in the labeling of **Flex-Ease**:

- (1) Flex-Ease is a comprehensive natural product for tissue support and joint flexibility.
- (2) Flex-Ease includes both N-acetyl glucosamine and glucosamine sulfate, two key amino sugars that are critical components of virtually all connective tissues and lubricating fluids in the body.
- (3) Flex-Ease also contains boswellia, grape seed extract and quercetin, al of which are herbal extracts known for their soothing influence on the body.
- (4) Antioxidant nutrients such as vitamin E and selenium are needed for normal growth and repair of body.tissues and to protect against free radicals.
- (5) Flex-Ease can be used by seniors, athletes or anyone desiring to maintain flexibility in the joints and to support normal tissue repair function.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
