Re: Petition 98-P-0151/FPI to prohibit the slaughter  
of drowned animals.

To whom it may concern:

Please grant petition 98-P-0151/FPI for the sake  
of the human and the non-human animal. The  
human animal risk bacterial contamination and  
the possibility of a fetal illness (Preutzfeldt Jakob  
Disease) linked to "Mad Cow Disease". In fact I  
have quit eating meat and its no problem, I'm  
doing great.

C5019

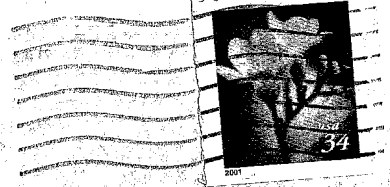

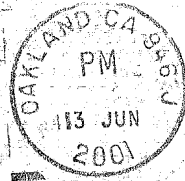

The non-human animal suffers abrasions, broken  
bones and torn ligaments from being pushed by tractors  
and dragged with chains. Please spare us both.

Sincerely,  
Hazel M. Lawrence

98P-0151
