Jane Henney, MD, Commissioner
Food & Drug Administration
5600 Fishers Lane, Rm. 1471 Rockville, MD 20857

Dear Ms. Henney
I'm writing to urge you to ban the
use of human antibiotics for purposes
of growth promotion in livestock. We cannot
afford to lose the antibiotics we have
at our disposal currently for any reason,
let alone to increase agribusiness profit
margins. Please act quickly to address
this serious problem.
