To Whom It May Concern:

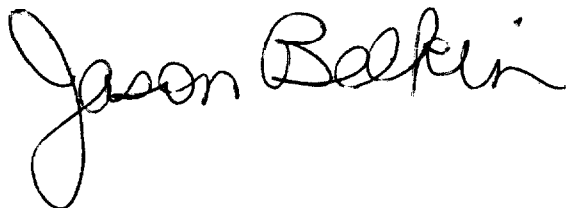

I am writing to you to urge you to grant Petition 98P-0151/CP1 which prohibits the slaughter of downed animals.

Since your new Chief Executive is promoting religious values as a cornerstone of his new Administration, this would be an excellent way to prove your Department's resolve to President Bush's leadership.

Not only is the proper treatment of God's animals religiously correct, but it is also the humane thing to do.

Thank you very much for your support.

Sincerely Yours,

98P-0151
