December 29, 00

Dear Dr. Henney,

4072 '01 JAN 17 A '02

Since June, the World Health Organization has asked for the termination or rapid phasing out of the use of antimicrobials for growth promotion of farm animals, if they are also used for treatment of people.

We concur. Please act now to expedite this necessary action. Americans depend on your good judgement. Thank you.

Sincerely,

Dr. & Mrs. Robert Yudell
