TO: FDA RE: DOCKET OGN-1396/000-1598

I AM OPPOSED TO THE NEW FDA  
(PROPOSED) RULES ON GE FOODS. THE  
VOLUNTARY LABELLING & NOTIFICATION  
PROPOSALS ARE TOTALLY INADEQUATE!  
THESE PROPOSED RULES VIOLATE MY  
RIGHT TO KNOW AND DO NOTHING TO  
PROTECT THE ENVIRONMENT & OUR  
HEALTH. I CALL FOR THE FOLLOWING:

- 1) ALL FOODS AND FOOD PRODUCTS, SHOULD THEY CONTAIN GE INGREDIENTS, MUST BE CLEARLY AND PLAINLY LABELLED AS SUCH.
- 2) FOODS WITH GE INGREDIENTS SHOULD BE SUBJECT TO THOROUGH SAFETY TESTING BEFORE BEING RELEASED TO THE PUBLIC.
- 3) INTRODUCTION OF AN IMMEDIATE MORATORIUM ON GE FOODS UNTIL LONG-TERM STUDY PROVIDES EVIDENCE THAT THEY ARE ~~BEHAVIORAL~~ HARMLESS TO THE ENVIRONMENT & TO HUMAN HEALTH.

THANK YOU,

JAMES HOLDMAN
