Dear FDA Commissioner -

I am a Natural Therapeutic Specialist
with one small child and another one
on the way. Science ^{proves} ~~to us~~ ^{that} ~~we~~ ^{become}
what we eat. The foods are broken down inside
of us and until all the testing can be proven -
Please Please, Please, don't allow the Economics
to overshadow what is right. Be sure that
we can have the info. So we can make informed decisions!!!
