

Docket #s OOD-1598 & OOD-1396

Dear commissioners Feb 26, 2001

As an aware consumer I am
concerned about the quality of food that I eat.
I urge you to make it a requirement to both
label and have pre-market testing for GE foods,
so that I may have confidence in the choices
in the store! Sincerely, Martin & Richman
Thank you,

OOD N 1396
