

Dockets # 00D-1598 + 00U-1396

Dear Commissioner,

The FDA should be a Regulator, not
a promoter of the food industry. I am
concerned the government in this industry
and the decline of my food choice.
I urge you to require both labeling & pre-
market safety testing of these foods.
I wish to avoid these types of foods.
I want freedom of choice -

Sincerely, Sue Baker
