

DOCKET #'S 000-1598 & 00N-1396

Dear Commissioner-

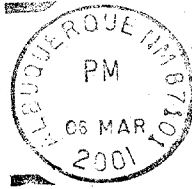

As a consumer I am worried about the quality of my + my baby's food and it's impact on human + environmental health. ¹⁸⁸ ^{01 MAR -8} ^{P2:15} I urge you to rethink your position on GM foods to require both pre-market safety testing, and labeling of these new foods. I want to be confident in my choice of foods.

Sincerely,

Brooke Lynn
