

Docket #000-1598 OON-1396

Dear Commissioner,

The FDA should be a regulator  
not a promoter of the food industry  
growing increasingly concerned about the  
role of government in industry and the subsequent  
decline in my food choice. Judge you to require both  
labeling and pre-market safety testing of these  
novel foods that present unique and unforeseen  
hazards - ~~Label~~ AND TEST so I feel confident  
making my choice Joanne Kuestner
