

Docket # 000-1598, 00N-1396

Dear Commish,

Genetically engineered perfection,
hmm... what does that sound like?
I can't quite place it ~~at~~ ~~the~~ ~~top~~ ~~of~~ ~~the~~ ~~map~~. Help me
out here, it happened a while ago,
a bunch of white guys, trying to
make a whole world of perfect people
through genetic testing. Oh yeah!
Nazi Germany! Love, Jacob S. Ware
