

Docket # 000-1598, OON-1396

2-8-01

Dear Commissioner,

as a consumer I am extremely concerned about the quality of the food that I and my family eat and I therefore urge you to require both labeling and pre-market safety testing for Genetically Engineered foods, so that I may feel confident in using my freedom of choice regarding the food I eat. Thank you. Sincerely, Jane R. Bentley
