Dear FDA:

I am writing this letter to inform you that I am concerned about consuming dairy products that have come from cows that have been treated with rBGH. I would prefer to buy dairy products from cows not treated with rBGH. Without a national policy on rBGH labelling it is impossible for me to make an informed choice. I urge you to adopt definitive national guidelines regarding rBGH labelling adhered to in all fifty states. Thank you.

Sincerely,

Patricia A. Pearson
