Ms. Jane Henney, M.D.
Commissioner Food and Drug Administration
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Dr. Henney:

I urge you to do all you can to follow the advice of the World Health Organization to terminate or rapidly phase out the use of antimicrobials for growth in livestock if they are also used for treatment of humans.

Thank you for your serious attention to this matter.

Sincerely,

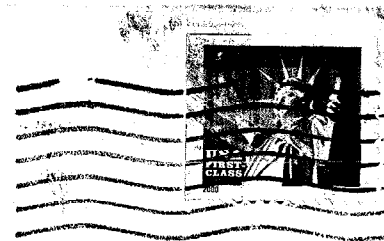

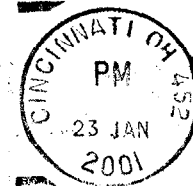

Wanda Trinkle
