

**DEAR FDA,**

I am writing to express my opposition to the FDA's new proposed rule and guidance on genetically engineered (GE) foods.

[Redacted]  
[Redacted]  
[Redacted] I fully support the following:

All GE foods and food ingredients should be labeled.

GE foods should be subject to mandatory pre-market safety testing.

There should be a moratorium on GE foods until long-term studies show they are safe for human health and the environment.

*Thank you for your attention to this matter.*

*200*
