Ref: **Thermojetics® Yellow Tablets**

Dear Sir and/or Madam:

Pursuant to 21CFR 101.93, please be advised that Herbalife International of America, Inc. is commercializing Thermojetics Yellow Tablets in the United States with modified labels.

Thermojetics Yellow Tablets are labeled and promoted with statements provided for in section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

**1. LABEL**

(Note: On the label, immediately adjacent to the following copy, appears a ruled DSHEA disclaimer box.)

Garcinia is derived from the fruit of *Garcinia cambogia* which grows in India. *Garcinia cambogia* is a natural source of hydroxycitric acid. Chromium is an essential trace element that is important for normal glucose metabolism.

**2. HERBALIFE FACT SHEET**

(Note: The asterisks appearing in the copy shown, relate to the ruled DSHEA disclaimer box which is located on the same page of the product literature.)

**Garcinia and GTF Chromium supplement to help aid weight loss**

Chromium is an essential trace mineral that promotes the natural regulation of sugar in your body. If there is a deficiency, your body is forced to work harder at regulating blood-sugar balance – and this is what causes sugar cravings.\*

.....By providing your body with the necessary levels of chromium, Thermojetics® Yellow can help your body regulate its supplies of glucose while also giving a mild energy boost.\* In addition, it's a source of *garcinia cambogia*, which supplies your body with hydroxy-citric acid and can further help you manage your eating habits.\* All this results in the brain not broadcasting a signal that your body interprets as, "feed me sugar!"\*

**Discussion Points**

- Chromium is excellent for controlling and maintaining weight. It is an all-natural regulator of glucose levels.\*
- Thermojetics® Yellow is easily absorbed and is fast acting.\*

97S 0162 LET 7579

- **ThermojeticsB Yellow is an ideal dietary supplement for use in the evening. Avoid the temptation to snack with the help of Thermojetics® Yellow.\***
- **Garcinia cambogia has been used for centuries as a food supplement. And modern science demonstrates why: As a source of hydroxycitric acid, it assists your body in the regulation of blood-sugar levels.\* Further, it inhibits the enzyme that converts calories into fat.\***

**Fast Facts**

- Thermojetics® Yellow helps regulate blood-sugar levels safely and naturally.\*
- As you age, your body's stores of chromium are easily depleted, and Thermojetics® Yellow is excellent for countering this.\*
- Thermojetics® Yellow can help your body regulate its supplies of glucose while also giving a mild energy boost.\*
- Thermojetics® Yellow is excellent for controlling snack cravings.\*

**3. PRODUCT BROCHURE**

(Note: The asterisks appearing in the copy shown, relate to the rules DSHEA disclaimer boxes which are located on the same page of the product literature.)

**An ideal evening weight-loss supplement**

This exciting dietary supplement combines garcinia cambogia, a centuries-old Indian fruit which is a natural source of hydroxycitric acid, with chromium GTF, an essential trace mineral.

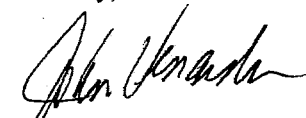

- Helps with snacking and can be especially beneficial for those who need an extra boost of weight-loss support in the evening.\*

Product labeling and literature prominently bears the required boxed statement, "These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease."

Herbalife International of America, Inc. certifies that the information in this notice is complete and accurate, and that the Company has substantiation that the foregoing statements are truthful and not misleading.

If you have any questions, please do not hesitate to ask.

Sincerely,

JFV:gf
