

Docket # OGN-1396, ODP-1598

DEAR FDA COMMISSIONER,

MY RIGHT TO KNOW WHAT IS IN MY
FOOD SHOULD OUTWEIGH THE
ECONOMIC INTERESTS OF BIOTECH
CORPORATIONS. AND, SINCE IT IS THE
FDA JOB TO PROTECT THE AMERICAN
CONSUMER, AT THE VERY LEAST YOU
REQUIRE INDEPENDENT SAFETY TESTING
OF ALL GENETICALLY ENGINEERED
PRODUCTS & CLEAR LABELING OF ANY
GMO FOOD ON THE MARKET. DO YOUR JOB

SINCERELY CATHERINE KENWARD

OGN-13.96
