

Docket #00D-1598 & 00N-1396

Dear Commissioner,

to have freedom of choice to me means
to have information. I do not want my
government to be a partner in withholding
information about the food I eat.
Please, do not promote GM food for the
food industry, but regulate it, by having
it pre-market tested & labeling it.

I trust, that you will do what is
right for the American people.

Sincerely,

Blue E. Green
