

Commissioner,

3/3/01

I am writing in regard to docket numbers 00D-1598 and 00N-1396. I am extremely concerned about the quality of my food, its impact on my health, and ^{that of the} environment. I urge you to rethink your position on GM foods to require both pre market testing and labeling of these new foods. A consumer must be confident in exercising FREEDOM OF CHOICE. Sincerely, Wendy Butler
