

Commissioner,  
In writing in regard to DOCKET# 00D-1598 and  
00N-1396. The FDA should be a regulator, not  
a promoter of the food industry. I urge you  
to require both pre-market safety testing  
and mandatory labeling of genetically  
~~engineered foods~~ <sup>of</sup> <sup>MM 13 11 40</sup> genetically

Sincerely,

Marcus Gorresen
