Dear FDA Commissioner, I am writing to express my opposition to FDA's proposed new rule and guidance on genetically engineered (GE) foods. We oppose the Mark agency's voluntary labeling and notification proposals in support of all the points in the citizen's petition currently before the agency (docket No. OON-1396, and OOD-1598). FDA Commissioner Pockets Management Branch (HFA 30 XAll GE foods should be labeled so I am informed and have a choice. Food and Drug Administration XGE foods should not be assumed to be "generally recognized as safe" and should have mandatory pre-market safety testing 5630 Fisher's Lane, rm. 1061 Rockville, MD 20852 There should be a moratorium on GE foods RE: Docket No. OON-1396, and OOD-1598 until long-term studies show they are safe for human health and the environment.
