Docket # 00N-1396/00D1598

Dear Ms. Whitman,

I oppose the FDA's proposed  
1476 '01 MAR -9 A9:50  
rule re: genetically  
engineered (GE) foods.

I support full disclosure  
labeling on all GE foods  
so I can make an informed  
choice.

I thank you for your  
consideration on this issue.

Kind Regards,  
Karen Abramson
