

Packets # 000 1598 and 00N-1396

Dear Commissioner,

As a consumer I am quite concerned about? GMO foods. Please, I would like to know if you require testing of GMO foods with respect to health of the environment? (ready genes) could be a major catastrophe to our / adopt + ~~of~~ natural environment? The very best GMO foods should be clearly labeled. Thank you,
Paul Jones
