

Doyle's # 00D-1598 and 00N-1396
3-3-07

Dean Commissioner,

1404 TO MAR -9 9:32

As someone who eats food, I am deeply concerned
re the quality of food we eat, + also re its impact
on our environment, + our farmland. Please,
rethink your position on GM foods, to require
① pre market safety testing + ② labeling of GM foods.
Sincerely, COPA BOSE
