Dear Acting Commissioner Schwetz,

I am writing to in reference  
to the "irradiation" labeling  
subject. 6014 OF MAY 29 1955

Please do not change this  
term on foods, that have been so  
treated, for a deceptive substitute.  
I feel labeling on a lot of prod-  
ucts is already confusing. In-  
formed choice in this matter is a  
must!

Thank you for weighing my  
concern in this matter while  
you debate this issue.

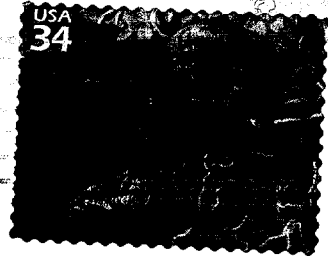

Sincerely,  
Gene N. Smith
