RE: Dietary Supplement Statement of Support Notification

To: Whom It May Concern:

Nutritional Specialties, Inc., 1452 E. Katella Ave. Anaheim, CA 92805, the distributor of the following dietary supplement products, intends to make the following statement of support: “Soy protein which comes from the soybean contains a compound called Isoflavones. Isoflavones have been described as possessing; a myriad of biological properties that can effect many biological properties that can effect many biological and physiological processes in a positive way. A serving of LifeTime® Hi-Pro 95 supplies 25 grams of soy protein. Diets low in saturated fat and cholesterol that include 25 grams of soy protein may reduce the risk of heart disease.”

This claim is being made for Soy Protein.

Which is contained in LifeTime® Hi-Pro 95 Soy Protein. This submission in being made in compliance with the requirements of 21 CFR 101.93.

The undersigned is an authorized representative of Nutritional Specialties, Inc. and certifies that the information contained in this notice is complete and accurate, and that Nutritional Specialties, Inc. has substantiation that the above statement is truthful and not misleading.
