

Docket # 98P-0151/CP1

February 28, 2001

9909 '01 MAR -6 AIO:26

Dear USFDA:

Please prohibit the slaughter of
downed animals. It seems to be
the very least you should have to
do for livestock animals.

I have seen videos of their
mistreatment — miserable, miserable
lives of fear and agony.

When are you going to stop
stalling and take action?

The whole meat industry is
disgusting.

Sincerely,

Mary DiMarco
